PREFACE

THIS part of the *Catalog of Copyright Entries* contains a list of the domestic and foreign published music registered in the Copyright Office from January 1, 1949, through June 30, 1949. Included also are selected works registered as unpublished music and musical materials registered as books, pamphlets, dramas, and contributions to periodicals. Renewal registrations of music made in this period are listed in Part 14B of the *Catalog*.

Arrangement.—The main section contains entries giving complete information about each work, arranged alphabetically under the name of the person chiefly responsible for the work (composer, editor, arranger or compiler). Cross-references are made for the names of others who participate in the work.

The second section is a Title Index, in which each registration is listed under its title. The name under which the full entry is given in the main section follows the title.

The third section is a Classified Index in which each registration is listed under the medium of performance of the work, or, when the music is of a special type, under the subject heading for that group. For a fuller explanation, see the introduction to the index itself.

The fourth section is a Claimant Index in which each registration is listed under the name of the person or firm appearing in the application as the copyright claimant.

Entry.—The names by which the entries are alphabetized are given in the fullest known form, with cross-references from pseudonyms, nicknames, and forms contrary to normal usage in the particular language.

MARAIS, JOSEF, *pseud.* See Pessac, Joseph.

GRASSI, ANTONIO DE. See De Grassi, Antonio Joachim.

In the main entry, the name used in the heading is followed by the title and the names of all the authors. Name of publisher and place of publication are given when the publisher and claimant are not the same. When no publisher is given, it is to be understood that the claimant is the publisher.

Filing titles are supplied when necessary to bring together all excerpts from one work, or to file nondistinctive titles under the name of the musical form. Filing titles are placed in curves in front of the title as given on the work, for example:

^(Roberta) The touch of your hand, from the musical play Roberta.

^(Concerto, violin, no. 2, A minor) Deuxième concerto pour violon & orchestre.

The caret preceding the title indicates that Library of Congress printed cards are available for purchase. Orders for or inquiries regarding these cards should be addressed to the Card Division of the Library of Congress.

Copyright Data.—The statement giving the facts of copyright registration begins with the copyright symbol ©, which is followed by the name of the claimant, and for claimants other than individuals, the place of publication, the date of publication given on the application, and the registration number. If the claim is based on new matter, a brief description of the new matter is given between the date and the registration number.

Deposit of Copies.—In the case of every copyright entry listed in this part of the *Catalog*, the deposit of copies (or copy), as required by Title 17, U. S. C., secs. 12, 13 or 215 has been made. Foreign works for which two copies have been deposited, under sec. 215, are distinguished by a registration number, the first digit of which is a zero.

Authority.—The *Catalog of Copyright Entries* is published by authority of Title 17,

U. S. C., secs. 210 and 211. Section 210 provides that the *Catalog* "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

Organization of the Catalog.—This issue of the *Catalog* is part of Volume 3 of the Third Series. The parts are numbered according to the alphabetical sequence of classes as listed in Title 17, U. S. C., sec. 5. Letters are added to the part numbers to indicate subdivisions.

The classes of material principally contained in each part are listed, together with their respective symbols, under the title of the part in the Table of Organization which faces the title page in this issue. In each case, the first letter of the symbol is that of the class under which registration is made; the second, if any, is a designation added by the Copyright Office for purposes of statistical analysis of registrations. The symbol R does not represent a class designated by the Copyright Act, but has been adopted by the Copyright Office to distinguish renewal copyright registrations. Some parts also contain registrations made under other symbols if the subject matter or type of material of these registrations is similar to that generally included in the part.

Orders.—The Office calls attention to the fact that orders for all parts of the *Catalog* should henceforward be sent directly to the *Register of Copyrights, Library of Congress, Washington 25, D. C.* Orders may be placed as follows: (1) as subscriptions to continue until further notice, or (2) as orders for individual issues. All orders should state clearly the title and inclusive dates of the issues wanted. For the convenience of subscribers, payment may be made either in advance (accompanying the order) or upon receipt of an invoice from the Copyright Office. *Checks or money orders should be made payable to the Register of Copyrights.*

The price of each individual number of the *Catalog* is given in the Table of Organization. The annual subscription rate for each part is twice the price of a single number, since all parts are issued semiannually. The complete *Catalog of Copyright Entries* for one year may be secured on a subscription basis for \$20.

Inquiries.—The Copyright Office welcomes inquiries, suggestions, and comments on the content and organization of the *Catalog*. Please address communications of this nature to the *Chief of the Cataloging Division, Copyright Office, Library of Congress, Washington 25, D. C.*

CLASSIFIED INDEX

An index which lists, under a heading descriptive of its medium of performance or special character, each work included in this issue. For each entry the name under which it will be found in the main section is given first, followed by the title.

INTRODUCTION

The classified index is designed to meet the needs of those who are searching for music for performance, or for music of national characteristics or special subject interest. The headings have been selected and the list constructed on the principle of using specific headings in so far as possible, e. g., Operas, not Dramatic Music-Operas. However, headings of broad scope with sub-divisions for specific types have been used when the headings are so closely related as otherwise to require numerous cross references or searching under widely separated headings, e. g., Chamber Music, Choral Music.

The words "music" or "songs and music" should be understood to follow most of the headings, e. g.,

Guitar [music]
Chile [songs and music]

The headings are arranged alphabetically, except that headings for piano ensemble follow those for a single piano. When sub-

arrangement is necessary, it is sometimes in an alphabetical order of categories (see juvenile music) and sometimes in a logical order (see Chamber music). Cross references are made from headings not used, and from sub-divisions of a general heading to the broad heading. Examples are:

Oratorios. See Choral music - Sacred choral works
String quartets. See Chamber music - Quartets - String instruments

Cross references are made from one heading to another when the second covers closely related material, e. g.,

Orchestra. See also String orchestra

Instructive material for particular instruments is under the name of each instrument, e. g., Violin instruction. Material which is predominantly textual, such as histories,

biographies, and works on appreciation, theory, etc. will be found in a separate section at the end called Books and Pamphlets on Music.

The entries in the index constitute brief references to the main entries in the first section of this volume. Each entry consists of the name of the author, with forenames abbreviated, followed by the title-page title, or the filing title and the title-page title. Each entry in the index is represented by an entry under the composer in the main section, where any other editions registered in the period covered by this catalog will also be found.

The abbreviations used are: acc. - accompaniment; unacc. - unaccompanied; arr. - arranged.

The table which follows contains the headings used in the classified index. All cross references are also given in this table, and are not repeated in the index itself.

I love you.
Dial 2-4828.
Diana, I will always love
you.
Did you mean to break my
heart.
Do you recall that old
love song.
Don't go home, Sally.
Don't leave me alone at
twilight if you really
care.
Don't make believe you
love me.
Don't say goodbye for-
ever.
Don't say I didn't for I
did.
Don't you smile at me.
Down Lover's Lane to-
gether.
Down memory lane with you.
Down the road to yester-
day.
Dream cloud.
Dream house in the skies.
A dream that I love of
you.
Dreaming of Italy.
Dreaming of you.
Dreams.
Dreams for sale.
Empty heart.
Everyone says aloha to you
Ev'rybody's baby.
Fading star.
Feed our hungry nations.
Fickle little pickle.
Fifty golden years ago
today.
The first time I met you.
For it takes two hearts
to make one love true.
Forever.
Forever and a day.
Forever I shall love you.
From you and from you.
Funny bone.
The future Mrs. T.
Gambling in my dreams.
Give me a guy.
Gold star mother.
Gone but not forgotten.
Goodnight, Mother.
Got a little spark in my
heart.
Happy days that are gone.
Happy valley.
Harbor of my heart.
Have you ever been kissed
before.
Heart's desire, I love
you.
Heaven is being with you.
Heaven is beyond my reach.
Heaven lost.
Hello, baby.
Hello, dream.
Here I am.
The hero of Manhattan.

Hi there, honey.
Hold me tight.
Home love.
Homeville, population 4.
Honey child.
How's for a date.
I am thinking of you.
I believe in my heart.
I can't afford.
I can't deny.
I can't do without you.
I can't forget.
I can't forget you.
I can't get along with-
out you.
I cry every night on my
pillow.
I didn't know you knew.
I do not want a little
love nest.
I don't care what you
think of me.
I don't love you any more.
I don't want coffee.
I dreamt I went to heav-
en.
I fell in love with you.
I found my love.
I hope the one who
knocks is you.
I kissed an angel.
I know you don't love me.
I made a wish tonight.
I never believed in love.
I never thought.
I pretend you love me.
I remember, you forget.
I should have told you.
I sit alone.
I want you to remember
me.
I was only foolin'.
I wasn't impressed.
I will always love you.
I wonder why I love you
so.
I won't ask for anything
more.
I'd change my ways.
I'd give the sun fair
warning.
I'd rather spoon by the
moon.
If I haven't, it's a
wonder, 'cause I do.
If I were you.
If the world stood still.
If you don't love me.
If you only loved me.
I'll always love you.
I'll never change.
I'll remember September.
I'll tell the world I
love you.
I'm falling for you like
the stars fall from
heaven.
I'm haunted by a memory.
I'm just an old cowboy.
I'm not sorry.
I'm tradin' the old for
the new.
I'm wishing, wishing,
wishing.
I'm writing you a letter.
In the gardens of the
West.
In the ring around sweet
Rosie.
Indian summer.
Invitation.
Irish lass.
It happened that way.
It happens ev'ry time I
look at you.
It is real to me.
It was a whistle.
It won't be easy.
It's heavenly.
It's just a glad, fond
memory.
It's like music in my
ear.
It's me again.

It's near the end.
It's too lovely an even-
ing.
It's your kissin' I'm
missin', Sue.
I've been a fool.
I've dreamed of you.
I've had it before.
I've heard it said.
I've learned my lesson.
I've loved you thru the
years.
I've never been a hero.
Jogging along.
Just a lonely boy.
Just about this time.
Just dream of you.
Just dreaming.
Just for you and me.
Just let me know.
Just like a cigarette.
Just one heart to give
you.
Just the thought of you.
Just waiting and dream-
ing.
Just you and I.
Kathie.
Keep your head, not your
heart.
Keep your powder dry.
Kid, you're too good for
me.
Kind of homesick.
Lazy cattle.
Let's not waste love.
Let's put our broken
hearts together.
Life of my soul.
The light of love.
Little Joe.
Little porky piggy.
Little sweetheart, we
have parted.
Living in a memory.
Lonely and crying over
you.
Lonely heartaches and
bitter tears.
A lonely mother.
Lonely nights.
Lonesome and blue, not
for you.
Lonesome melody.
Look to the good side of
things.
Looking out my window.
Lord of the green hills
and my heart.
Lost heart.
Lost, strayed or stolen.
Louzria.
The love I have for you.
Love in a dream.
Love is as precious as
gold.
Love letter to heaven.
Love me and let me love
you.
Love shined its light on
me.
A lover's dream.
Love's magic.
Magic lips.
Makin' hay.
Making believe you're
mine.
May I borrow your lips
again, Louise.
Maybe I'm the one for you.
Mellow moon on the prairie.
Memories of Broadway.
Midnight.
Missing in action.
Moonlight always makes
me sentimental.
Mother dear.
Music makes me blue.
My affection for you.
My beloved.
My blue mood.
My first dance with you.
My heart has been broken.
My heart's desire.

My mysterious light.
My sweet Louisiana Lou.
My Whiskey Island Rose.
My wife.
Nancy.
Never happen.
Never mind.
Never say no.
New Mexico.
No more amour.
No tomorrow.
Now I know.
Now, what's happened to
you.
An October's moon.
Oh, ain't you glad you're
livin'.
Oh, I wish I knew my
heart.
Oh Kaye.
Oh, so long ago.
Old home week.
On a Rocky Mountain trail.
On my own.
Once you were mine.
One of us.
Only memories of you.
Only one minute more.
Only teasing you.
Orchids in the rain.
Our army, U. S. A.
Our cabin of pine.
Our destiny.
Our flag.
Our love wasn't meant to
be.
Pardon me for loving you.
Personal property.
A picture.
Please don't ask me to
forget.
Please give me time.
Pretending.
Prisoner's last letter.
Put away those daydreams.
Query.
Randle.
Red, green love lights.
Returning.
River of love.
Romance of you and I.
The rose and the dew.
The rose of Texas.
Rose dreams.
Roses at dawn.
Rusty moon.
Sarah Bell across the
holler.
Save that lovin' for me.
The seventh Sunday in
June on the second Tues-
day in that week.
She.
Since I met you.
Since my little boy said
goodnight.
Since we met again.
Sky gazing.
Smile, brother, smile.
So lonely.
So many lovely years ago.
Somber is the night.
Some day.
Someone got between you
and me and our dreams.
Someone like you.
Something so golden, some-
thing so olden.
Somewhere in love.
Song of an angel.
A song of love.
Song of the rails.
The song with a sigh.
Starry blue.
The state of Ohio.
Staying in Arkansas.
Stop, thief, stop! Bring
back my heart.
Strolling in my dreams.
The sun is bound to
shine.
Suzy Lou.
Sweet loving Sallie.
Sweetheart, I'm coming to
you.

Sweetheart of mine.
Te quihero.
Teen age girl.
Tenderly.
Tennessee.
Texas trail.
Thanks a million.
That time has come.
That's close enough to
heaven for me.
That's the general idea.
That's where I call home.
That's why I love you.
There's a broken heart
somewhere tonight.
There's a girl that I
love.
There's a new look in
your eye, dear.
There's a rainbow in the
sky.
There's an altar by my
pillow.
There's no use to try.
There's something in the
wind.
They're yours.
Thinking of you today.
This heart of mine.
This must be love.
Throw a kiss at our star.
Till forever.
Till you come back to me.
Time will tell.
Tipsy over you.
To rock the old cradle
for me.
To talk to.
To think you loved me a
little bit.
Too busy for love.
Too lonely to love.
Traveling on a rainbow.
Two lives.
Two minutes till train
time.
Under the moon.
Under the tree of me-
mories.
Violins were playing.
We two.
What a smile can do.
What can I do.
What have I done wrong.
What our hearts should
feel.
What we've both missed.
What'll I do.
When the shades of night
are falling.
When twilight steals up
the canyon.
When you come back.
When you said "I do".
When you say I love you.
When you weave dreams.
When your heart sings
music.
Where I first met Nellie.
Whispering wind.
Why couldn't you have
told me.
Why do I love you, honey.
Why don't my dreams come
true.
Why is it? Oh! why is it.
Wild ecstasy.
Will you love me when
I'm old.
Wishing.
With love to you, sweet-
heart.
With regrets, I'm not
yours.
Without words.
Without you.
Won't you.
Worms for bait.
Yearning for love and
home.
Yet there's a sadness.

You and moonbeams.
You are my love.
You are my treasure, my
heart is with you.
You are the one.
You bring sunshine ev'ry
mile to me.
You broke your vows, my
darling.
You cannot take my dreams
away.
You can't blame a gal.
You don't have to come
from heaven to be an
angel.
You don't have to steal
my heart.
You don't love me.
You have a bit of Texas
sunshine in your smile.
You, only you.
You said you would.
You stepped out of my
dreams.
You think I won't.
You were an angel to me.
You were playing a game
with me.
You'll always be near my
heart.
You'll have to take me
as I am.
You're forever in my
dreams.
You're like a rose in a
garden.
You're my reason.
You're robbin' me.
You're wrong.
